

Code of Practice for the Management of Appeals

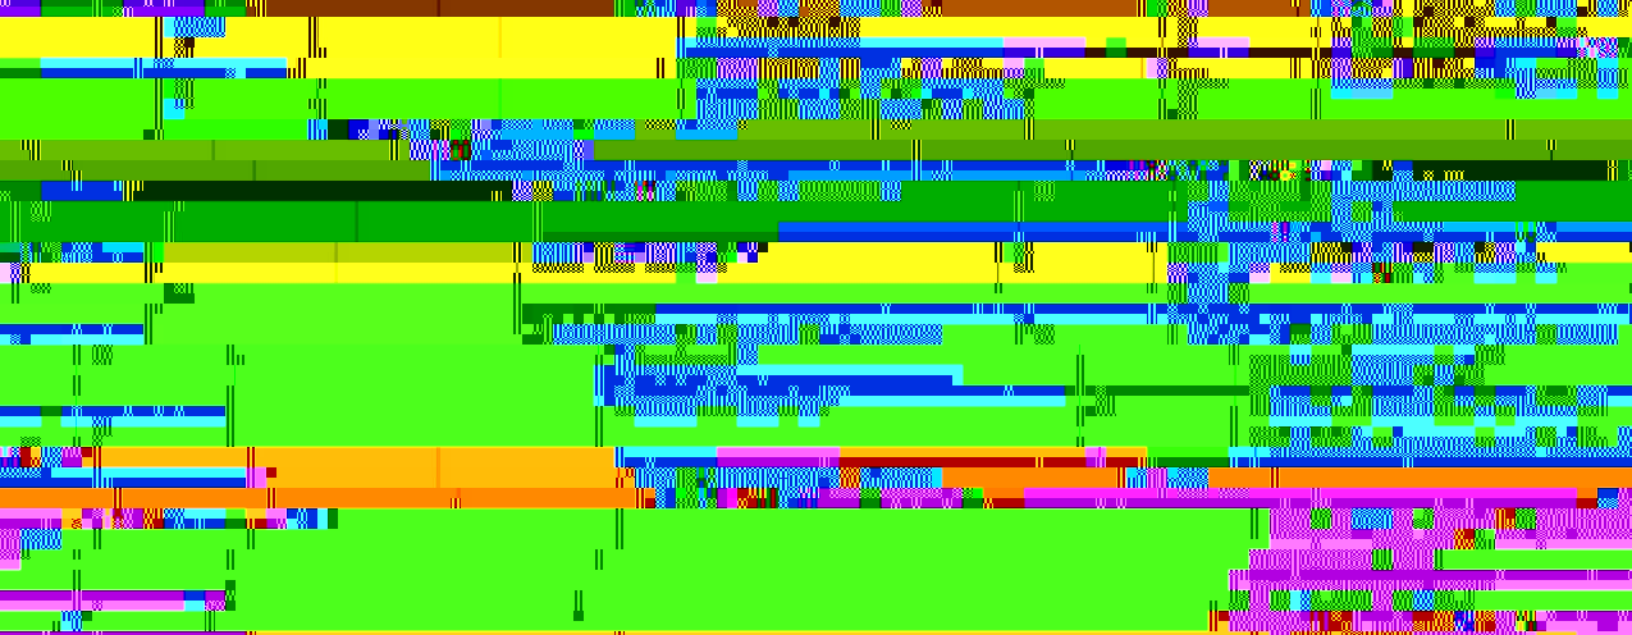

1.1 The purpose of this Code of Practice is to ensure that appeals are handled in a fair and consistent manner.

1.2 This Code of Practice applies to all appeals made to the Appeal Panel and the Appeal Committee.

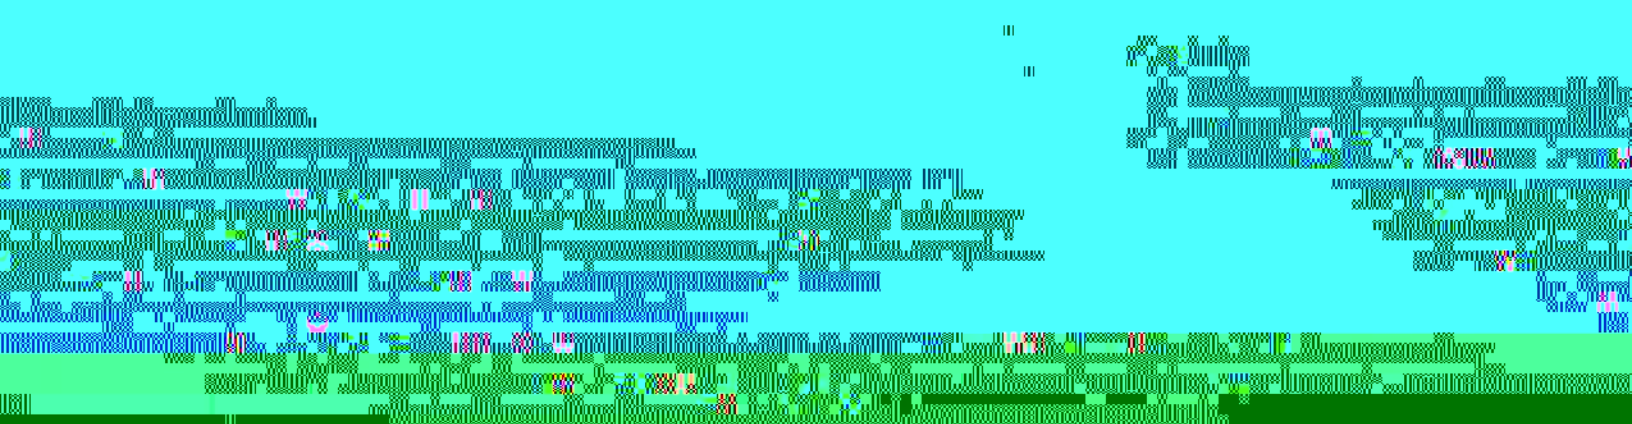

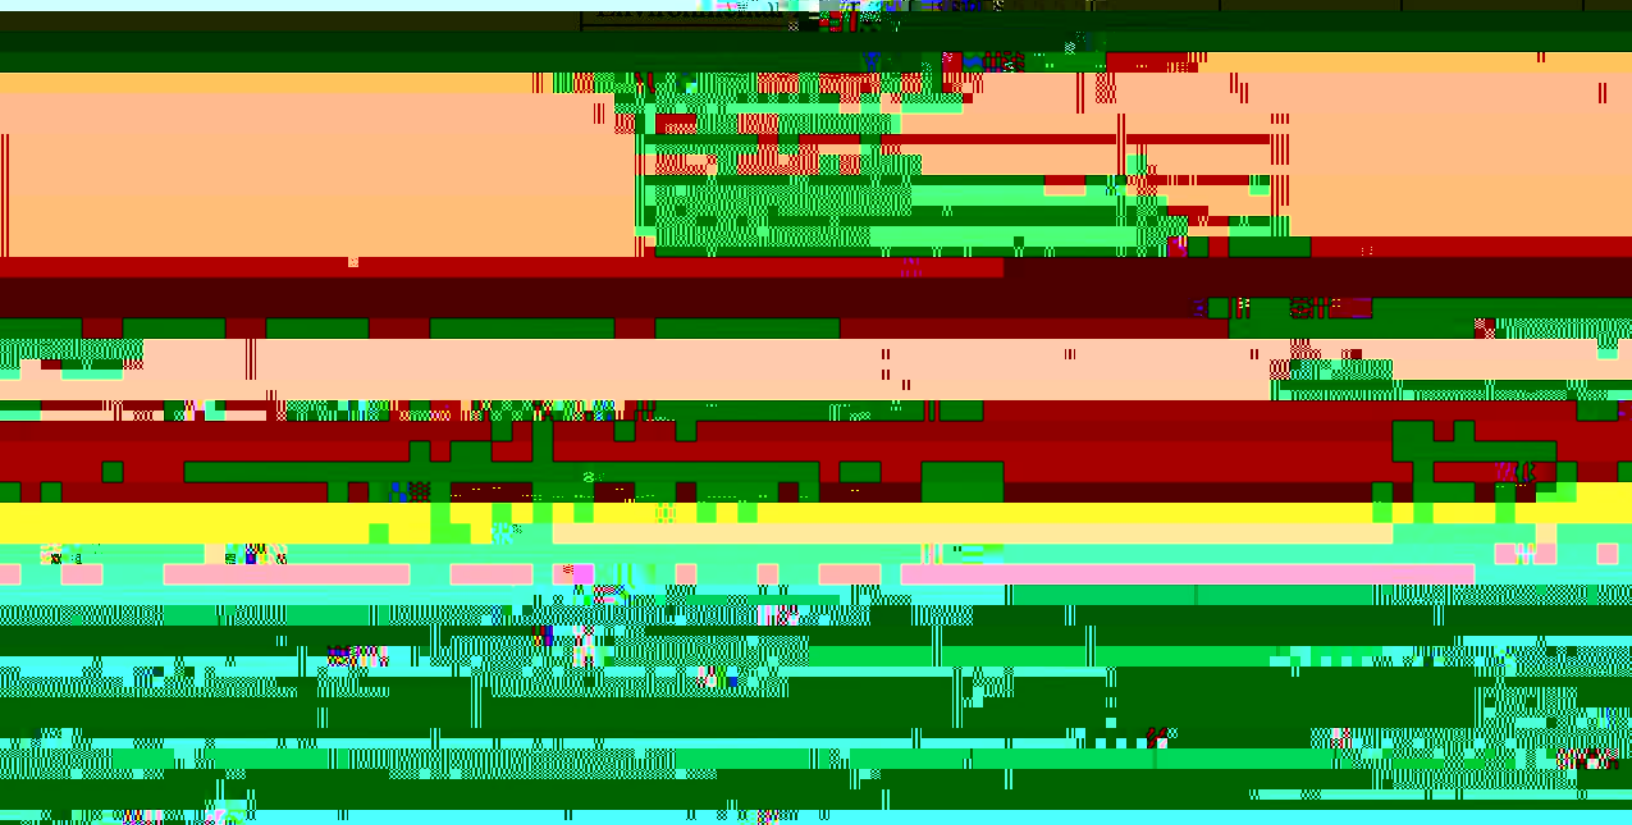

1.3 The Appeal Panel is responsible for the initial review of appeals and for recommending a decision to the Appeal Committee.

1.4 The Appeal Committee is responsible for the final decision on appeals and for ensuring that the process is fair and consistent.
