courses for the Univers

The image displays a complex, multi-layered graphic. It features a grid of small, colored squares and lines, creating a dense, abstract pattern. The colors are vibrant and varied, including shades of blue, green, yellow, orange, red, and purple. The overall appearance is that of a data visualization or a stylized map, possibly representing a network or a geographical layout. The graphic is set against a dark background, which makes the colors stand out prominently.
